

"Energy is best served  
by being of soulful service  
to humanity."

— CARLOS SANTANA

## Milagro Mission

The Milagro Foundation is a publicly supported foundation established by Carlos Santana and his family in 1998. Milagro benefits under-resourced children around the world by making grants to community based tax-exempt organizations that work with children in the areas of education, health and the arts.

## Milagro Statistics

Since 1998, Carlos Santana's Milagro Foundation has supported under-served and under-represented children by granting over \$10,000,000.00 to nonprofit agencies working with children and youth in 37 states and 20 countries around the world.

## About Us

Milagro means "miracle." The image of children as divine miracles of light and hope, even as gifts to our lives, is the meaning of the name. With funds generated by concert ticket donations, Santana licensed products and generous philanthropic partners and individual donors, Milagro supports children and youth in the San Francisco Bay area, across the United States and in countries around the world. The Milagro Foundation is dedicated to making a difference in the lives of children.

## We Stand Together

Carlos Santana's Milagro Foundation remains strongly committed to valuing diversity, equity and inclusivity. We stand in solidarity and show up for our Black, Asian, LatinX, Native American and LGBTQ communities by making grants that directly address the systemic problems around access to family health services, educational equity, artistic endeavors and social justice.

As a Foundation that supports local, national and international non-profits, we commit to ongoing listening and learning. By listening, learning and acting, the Milagro Foundation hopes to create meaningful differences in the lives of children.
